Hi Amy,

I hope you are well, and that this E-Mail is received in good faith.

Is there any way you could find out as to why the prostitution Act has moved its portfolio from the Attorney Generals office back to the Police Ministers office.

"ILLEGAL ORGANIZED SYNDICATED ESCORT SERVICES AND ILLEGAL MESSAGE PARLOURS ARE STILL KILLING US"

There has been no movement on this important issue since we last co-responded.

Maybe you can do a follow up story so as to highlight the horrific problem

we legal brothel owners still face.

I have left you with the latest E-Mail for your information below, sent to. (As seen below.)

Feel free to call me on (07) 4033 5955.

Kind regards

Aart Brons.

To the Hon chair of the P,L,A. Mr Walter H Tutt.

This E-Mail will also be forwarded to

The Hon Premier Anastacia Palaszczuk.

And the Minister for police the Hon Mark Ryan.

Dear Sir,

My name is Aart Brons C,E,O and licensee of www.northernbelle.com.au

In response to your letter dated 5 March 2018. I will take up your invite for the industry input and feedback.

I request you to look into my file already with the P,L,A from Dec 2006 till and including 2017

Refer to www.aartbrons.com , to be followed by www.cmc.aartbrons.com

and including its site-map <http://cmc.aartbrons.com/sitemap-page-order.html>

I have had no satisfaction so far from the P,L,A as in any outcome till date.

Many democratic questions to rule of law remain unanswered.

Refer to <http://cmc.aartbrons.com/Aart-Bron-Submission-to-cmc-17-12-2010.html>

Your Chief Executive Director the Hon Margaret Izaac has intensive knowledge of our plight as from 2001.

Refer to http://hwgh.northernbelle.com.au/How_we_got_here.html

There has been no follow up to the E-Mail sent to Cairns City Council by her on behalf of the P,L,A,s first Chairman

the Hon WJ Carter QC . Refer to [PLA letter withheld](#)

I have accused Cairns City Council of **perjury** and also the now Cairns Regional Council for covering it up.

Perjury is a criminal offence and should be dealt with **No matter the time frame.**

If **NOT** dealt with the amendment to the prostitution act in 2001 was useless making S63a and S64 of the Act still questionable. Point blank.

This Letter of Comment/Advise from the P.L.A was critical and pivotal to my building application on the issue of Code/Impact. **PLA letter withheld.**

Also refer to latest letter to mayor Val schier http://www.aartbrons.com/Val_schier_The_Mayor_of_Cairns_Regional_Council.html

and the Cairns post newspaper article <http://aart.northernbelle.com.au/att/Aart%20council%20media%201.pdf>

It is my humble opinion that the two recommendations outstanding from the the then C.M.C report in 2006 and again in 2011 **ABSOLUTELY NEED TO BE INTODUCED**

Refer again to my submission to the C,M,C. <http://cmc.aartbrons.com/Aart-Brons-Submission-to-cmc-17-12-2010.html>

Premier the Hon Peter Beatty when introducing the Act called it **“WORLD CLASS”**

It is now on the brink of **“POLICY FAILURE”**. **This needs urgent attention.**

It is my view and 21 other brothel managers and Licensees that the future of the Legal Brothel Industry depends on it.

Refer to <https://www.brisbanetimes.com.au/national/queensland/tinder-taking-away-brothels-bread-and-butter-owner-20170222-guismo.html>

I hope that this E-Mail is well received as it is well intended.

A response to the above is required.

Kind regards

Aart Brons
